

# Skeeter Davis, That'll Be The Day

Well that'll be the day when you say goodbye  
Yes that'll be the day when you make me cry  
You say you're gonna leave you know it's a lie cause that'll be the day when I die

Well you give me all your lovin' and your turtle-dovin'  
All your hugs and kisses and your money too  
You know you love me baby until you tell me maybe that some day I'll be blue  
Well that'll be the day when you say goodbye...  
[ guitar - harmonica ]  
Well that'll be the day when you say goodbye...

When cupit shot his dart he shot it at your heart so if we ever part and I leave you  
You say you told me and you told me boldly that some day I will be blue  
Well that'll be the day when you say goodbye...  
That'll be the day (uh huh) that'll be the day (uh huh)  
That'll be the day (uh huh) that'll be the day when I die
