

Skew Siskin, Revolution Of Illusion

Skeleton crew, skip-skap doodle doo
Devils smiles back on you, Dr. Hooks medicine show

In good company with pure delight
Lunatic paradise, eatin' stewed peas and rice

I've met Jesus himself in the valley of the shadow of death
Have seen Cleopatra eatin' chicken paprika

Mao's daughter sleeps in here
Mona Lisa cries in fear
God bless them, all they want
To live and let live you gotta understand

REVOLUTION OF ILLUSION
REVOLUTION OF ILLUSION

This what we miss heat up in the spoon
Love turned to dust, now it's powder from the moon

There's a hole in the sky where the rockets rush through
So they'll bring us the stuff which is missing between me and you

The essence of life in a plastic cup
Escaping and hiding, I wonder if we could stop

Mao's daughter sleeps in here
Mona Lisa cries in fear
God bless them, all they want
To live and let live you gotta understand
