## Skid Row, 18 And life

Ricky was a young boy He had a heart of stone Lived 9 to 5 and worked His fingers to the bone Just barely out of school Came from the edge of town Fought like a switchblade So no one could take him down

He had no money
No good at home
He walked the streets a soldier
And he fought the world alone
And now it's

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go

Tequila in his heartbeat
His veins burned gasoline
It kept his motor runnin'
But he never kept it clean
They say he loved adventure
Ricky's the wild one
He married trouble
Had a courtship with a gun

Bang, bang, shoot 'em up The party never ends You can't think of dying When the bottle's your best friend And now it's

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go

Accidents will happen
They all heard Ricky say
He fired his six-shot to the wind
That child blew a child away

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go

18 and life you got it 18 and life you know Your crime is time and it's 18 and life to go
