

# Skid Row, New Generation

I sold my soul for you  
You cut my life in two  
Nightmares from what I've seen and where I've been  
Made me run from you again

Controlling, big brother's eye  
Containment? I'd rather die

We're all part of a new generation  
Sold our souls to the next temptation  
Lead us not to our own damnation

I've seen what hatred brings  
I've seen the flesh of kings  
Blinded my eyes my mouth you've sewn it shut  
Protecting me from fucking up!

Controlling, big brother's eye  
Containment? I'd rather die

We're all part of a new generation  
Sold our souls to the next temptation  
Lead us not to our own damnation

We're all part of a new generation  
Sold our souls to the next temptation  
Lead us not to our own damnation

We're all part of a new generation  
Sold our souls to the next temptation  
Lead us not to our own damnation

We're all part of a new generation  
Sold our souls to the next temptation  
Lead us not to our own damnation
