

# Skid Row, Psycho Love (Edited Version)

Check out Clementine  
Cleanin needles in her wine  
Face down in her one-eyed world  
With her brain-dead valentine

Shell be your zombie, your livin dead  
Her sweet corruption  
Its gonna make you, gonna break you  
Ohh yeah, she said...

Haunt my house of pain  
And feel my psycho love  
Well shine and pray for rain  
To heal my psycho love

Legs at ten and two  
Chain her down thats what you do  
King Tut and snake-eyed slut  
In the pink but screamin blue

Ill taste your crazy, you smell insane  
Im just another ghost

Inside your spirits hall of fame

Haunt my house of pain  
And feel my psycho love  
Well shine and pray for rain  
To heal my psycho love

As the warm smooth soul  
Chases through the cold silence  
of a body  
A body of touch not feel  
One question is she a stone in the  
devils garden  
Or a speck in an angels dust  
Ashes to ashes  
And lust to lust

Shell teach you true love  
Watchin you turn blue love  
Shell wrap you in a chokehold  
And suck your symptom dry
