

# Skid Row, Sweet Little Sister

She blew my mind behind the wrecking machine  
She was a shitload of trouble called the subway queen  
Had a hip with bad habits and a shake that was a bit obscene  
One night I caught her running out the cellar door  
There was about a million people lying flat on the floor  
For such a sweet little lady I would swear shes rotten to the core  
She got her hands in the cookie jar  
Smiling like an alligator  
Makin headlines in the back of her car  
Tight-lipped now but sink ships later  
I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
Shell love ya black and blue -- sweet little sister  
Mona lisa with a new tattoo  
Shes my sweet little -- sweet little sister  
Every quittin time is another disease  
Too many cowboys ridin high shootin low at the knees  
The back hand boogie is the price you pay for being the squeeze  
The pettins getting heavy got her tongue in her ear  
Her friend is doing time for kickin ass on a queer  
Theyre in a mental state and all their friends are here  
Shes tellin lies through her burgundy lips  
Angel on a mission of mercy  
Shell get you dancin with the crack of her whip  
Take you up to heaven in her rocket ship  
I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
Shell love ya black and blue -- sweet little sister  
Mona lisa with a new tattoo  
Shes my sweet little -- sweet little sister  
She got her hands in the cookie jar smiling like an alligator  
Makin headlines in the back of her car  
Tight-lipped now but sink ships later  
I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
Shell love ya black and blue -- sweet little sister  
Mona lisa with a new tattoo  
Shes my sweet little -- sweet little sister
