

# Skid Row, Wasted Time (Edited Version)

You and I together in our lives  
Sacred ties would never fray  
Then why cant I let myself tell lies  
And watch you die every day

I think back to the times  
When dreams were what mattered  
Tough talking youth naivete

You said you never let me down  
But the horse stampedes and rages  
In the name of desperation

Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind

Is it all just wasted time  
Can you live with yourself  
When you think of what  
You left behind

Paranoid delusions they haunt you  
Wheres my friend I used to know  
Hes all alone  
Hes buried deep within a carcass  
Searching for a soul

Can you feel me inside your heart  
As its bleeding  
Why cant you belive you  
cant be loved

I hear you scream in agony  
And the horse stampedes and rages  
In the name of desperation

Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind

Is it all just wasted time  
Can you live with yourself  
When you think of what  
You left behind

You said you never let me down  
But the horse stampedes and rages  
In the name of desperation

Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind

Is it all just wasted time  
Can you live with yourself  
When you think of what  
You left behind

The sun will rise again

The earth will turn to sand  
Creations colors seem to fade to grey  
And you'll see the sickly hands of time  
Will write your final rhyme  
And end a memory

I never thought you'd let it get  
this far, boy
