

# Skinny Puppy, Shadow Cast

magnified fear stares back the mirror reflect depravity the shadow cast a feeling of ill  
harmony so crisp the famines itch a withering shoreline tears of grey interspersed with  
withered fruit her gloomy banquet of cheer heaven what a sweet pain douse the ecstasy  
the imagination drained away perpetual reverie abruptly fade heavens soothing some say  
tremulous hand jabs from behind sticks in the back for all to see organs spilled leak of  
will void of secrecy genuine tears delights the taste pain salts the bitter brew rich in  
guilt to absorb the filth she worships a point of view scarce the thousand remnants  
black charred flesh a victim screaming through heaven or hell what's the difference one  
to believe in one to live in careful balancing what's hell to heavens only flame
