Hold up, you in the presence of a queen
Ow! turnt up
All the pretty bitches love me
Unnie
Mouth full of gold with them jheri curls
Stuntin' in some Prince shit
Diamonds and Pearls
I'll be on my worst behavior
Hold my purse
Runways and strip clubs
I'll be making it work
Cuz, I'll be 01 'til I die
Middle finger up so high
Dirty vibe, dirty vibe
Jump on that (dirty vibe)

I don't pop molly I rock microphones
Point it atcha girl, watch her ass sing along

Talk shit with the prettiest lips
Blow a kiss
Kick a hole in your speaker, and then split

Do it just for fun
I come second to none
Swervin' in the lambo like a son of a gun

What you ain't you ain't know
