

# Skye Marona, Today

Today,  
it doesn't matter what I say.  
Nah nah.

Come Monday,  
she'll be back with him anyway.

Yeah I've been planning,  
but I'd never cheat another man.  
(Tell me what do I do?)  
I know she's with him,  
but is he feeling you the way I do?

Someday, my love is gonna take you  
away, my love is gonna find you.

She don't care, about me, don't hear a word, (She don't care...)  
Sayin' she's playin', believin', (Yeah, believin'...)  
Never knowin' that she's got me down, and beggin' for her, (Down and beggin'...)  
Feelin', I'm feeling it's real, yeah.

'Cuz today,  
it doesn't matter what I say.

You know it's funny...  
how you keep callin' me by his name.  
Hey that's okay,  
I'd trade places with him any day.

But I would listen to you when you talk,  
give you everything you'd ever want,  
if I had a chance you'd understand,  
that there's there's nothing that I wouldn't do  
to be your man.

Someday, my love is gonna take you  
away, my love is gonna find you.

She don't care, about me, don't hear a word, (She don't care...)  
Sayin' she's playin', believin', (Yeah, believin'...)  
Never knowin' that she's got me down, and beggin' for her, (Down and beggin'...)  
Feelin', I'm feeling it's real, yeah.

I would lead all of my life to be with you,  
and I missed you, just letting go,  
tell me why, I need to know.

Today, today...

She don't care, about me, don't hear a word, (She don't care... about me...)  
Sayin' she's playin', believin', (Whoo! Yeah...)  
Never knowin' that she's got me down, and beggin' sometimes, (She's got me, she's got me...)  
Feelin', I'm feeling it's real, yeah.  
(Feelin' it's real, ohh...)  
She don't care, about me, don't hear a word,  
Sayin' she's playin', believin', (Today...)  
Never knowin' that she's got me down, and beggin' sometimes, (She's got me, she's got me...)  
Feelin', I'm feeling it's real, yeah. (Ohh...)

(fade out) Someday... Away...
