

# Skylar Grey, Partly Cloudy With a Chance of Tears

I woke up on the wrong side of the bed again today  
And I don't need to see a mirror to see this look upon my face  
I'm not quite the ray of sunshine everybody thinks I am  
No, the sky is never clear  
It's always partly cloudy with a chance of tears

You see me first thing in the morning  
Like look what the cat dragged in  
And you can tell I'm barely holding on by a thread  
Can we just have one cup of coffee 'fore we dive in?  
Just hold me in your arms and tell me I'll be alright

I woke up on the wrong side of the bed again today  
And I don't need to see a mirror to see this look upon my face  
I'm not quite the ray of sunshine everybody thinks I am  
No, the sky is never clear  
It's always partly cloudy with a chance of tears

With a Chance of tears  
Partly cloudy with a Chance

It doesn't take a lot to throw me off of the deep end  
Only one small step and i will be over the Edge  
So keep your comments to yourself, please  
Cause i already know, already know

I woke up on the wrong side of the bed again today  
And I don't need to see a mirror to see this look upon my face  
I'm not quite the ray of sunshine everybody thinks I am  
No, the sky is never clear  
It's always partly cloudy with a chance of tears

With a Chance of tears
