

Slade, Roach Daddy

Whatever the roach daddy
Whatever the roach daddy
Let's take this time daddy
Whatever the roach daddy
Daddy's getting high, tied to the fly, daddy

Der der-der der der der-der
Der der-der der der der-der
Der der-der der der der-der
Der der-der der der der-der

Oh that's nice

Get yourself together daddy
Get yourself together daddy
Let's take this time daddy
Get yourself together daddy
Pauses at the door, there's nowhere to crawl, daddy
