## Slapshock, Drown

Love to hate you love to hate He never cares you made me sit without a chair My tongue is burning but still I lie Oh when you smile oh yeah I cry I cry

Chorus:

Cut me out (4x)
I'm proud of you my little boy
That's what he speaks I'm not your toy
I'm soul searching and still I'm lost
I'm dying now without a cause
(repeat chorus)
Cut me out play me out
You don't even know what this is all about
Think I'm feeling better I never say never
You always say a-a from here to Virginia
(You're sick) Verbally abuse me?
I just kill the pain I'm sure you never see me fall
Me crawl you burn my soul I crawl
Clown crawl clown evil

Love to hate you love to hate He never cares you made me sit without a chair My tongue is burning but still I lie Oh when you smile oh yeah I cry I cry (repeat chorus) Cut me out play me out You don't even know what this is all about Think I'm feeling better I never say never You always say a-a from here to Virginia (You're sick) Verbally abuse me?
