

# Slash, Anastasia (ft. Myles Kennedy & The Conspirators)

Blood, red sky on a desert road  
Gotta make my way down to Mexico  
For what I did I know that it was wrong  
The fire in my heart it will never die  
And everything I love will be left behind  
No turning back forever gone tonight

All my love Anastasia, Anastasia  
This may be our last goodbye  
You can't save me, I am fading  
Blood is on my hands tonight

All I need is a miracle  
I'm got it wrong if I ever know  
I may down until the end of time  
now my mind got to go  
Never love another I loved you so  
I'm so afraid to leave this all behind

All my love Anastasia, Anastasia  
This may be our last goodbye  
You can't save me, I am fading  
Blood is on my hands tonight  
/2x

Anastasia, Anastasia  
For your honor took a life  
You can't save me, I am fading  
Blood is on my hands tonight
