

Slaughter, Heaven It Cries

(Mark Slaughter, Dana Strum)

I see a silhouette by the window

There's a nightgown on the floor

I feel desire in your eyes

I taste the honey of your soul

[CHORUS]

Do you feel dizzy without a drink of wine

Is this forever, or does this happen every time

In the heat of the moment

When two bodies are melting as one

Embers fallin' down from the fire above

And you'll be cryin' out for more

In the heat of the moment

I slip her hair through my fingertips

And I kiss her head to toe

Waves are crashin' in my heart

But you will never know

[CHORUS]
