

Slayer, Dissident Agressor

Grand canyons of space and time universal
My mind is subjected to all
Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin
Through cracked, blackened memories of unit dispersal
I face the impregnable wall
Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin
Exploding, reloading, this quest never ending
Until I give out my last breath
I'm stabbing and bawling, I'm punching and crawling
Hooks to my brain are well in
I'm stabbing and bawling, I'm punching and crawling
I know what I am, I'm Berlin
