

# Sleeping With Sirens, Do It Now, Remember It La

Whoa oh oh, whoa oh  
Whoa oh oh, whoa oh  
Whoa oh oh, whoa oh  
Whoa oh oh, whoa oh

Seen this place before  
back when I was young and I had something more to prove  
Now that I'm older I've seen all the things that I want  
and I'm ready to make my move

We'll stare straight-faced, don't hesitate  
See, why would we want to make you bastards wait  
Thank god, I got this chance, now I can say  
So now we'll say, we'll say  
We're gonna do what we want

Remember when they said that what we want can never be done  
When it all comes falling down  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Remember when they said that what we want can never be done  
Well look who's laughing now  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Whoa oh oh, whoa oh  
Whoa oh oh, whoa oh

Oh my, don't they hate to see us try  
Come on say what you think  
It won't mean a thing  
In the end we're gonna be just fine

We'll stare straight-faced, don't hesitate  
See, why would we want to make you bastards wait  
Thank god, I got this chance, now I can say  
So now we'll say, we'll say  
We're gonna do what we want

Remember when they said that what we want can never be done  
When it all comes falling down  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Remember when they said that what we want can never be done  
Well look who's laughing now  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

We'll do what we want  
Right now  
Come on, come on  
With or without you  
We will never regret that  
Don't you cross the line  
Don't you cross that line

We'll do what we want  
Right now

Come on, come on  
With or without you  
We will never regret that  
Don't you cross the line  
Don't you cross that line

Remember when they said that what we want can never be done  
When it all comes crashing down  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Remember when they said that what we want can never be done  
When it all comes falling down  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Remember when they said that what we want can never be done  
Well look who's laughing now  
We'll do what we want to  
Said we'll do what we want to  
Yeah, yeah, yeah

Whoa oh oh, whoa oh  
Whoa oh oh, whoa oh
