Slightly Stoopid, Stop

stop!
go!
hey man i say it almost every single day
i wanna break a beer bottle over someone else's head
feelin' to hit you wont you calmly step out side
don;t you care about me don't you care about you
stop!
pick it up!
hey man i say it almost every single day
i wanna break a beer bottle over someone else's head
feelin' to hit you wont you calmly step out side
don't you care about me don't you care about you
stop!
