(Talking)

It's finally here motherf\*\*kers (f\*\*kers) Slim Thugger (Slim Thugger)  
Long awaited (long awaited), anticipated (anticipated) Already Platinum (Already Platinum)  
I'd like to thank everybody who been down with me from day one  
From my represent this to the boss, to having thangs, preciate ya, Stay down

(1st Verse)

I'm back for the first time, like Luda  
Pull out ya radios and computers, the big boss about to say something to ya  
And I ain't speaking to move or groove ya, I'm here to teach-n-tell  
And take advantage of this time to introduce myself  
I'm Slim Thug, across the states, I know that name rings bell  
A young Texas, independent, given these majors hell  
Cause I ain't signing for crumbs, and given up my income  
To get treated like a bum, niggas must think I'm dumb (huh)  
I'm rich and shameless, I ain't gotta be famous  
Just pay me cash out the anus, I won't do no complaining  
And my budget probably won't cut me million dollar videos but  
F\*\*k the props, we got our own drops and jewelry to show  
I got plenty of fine ho's and top of the line clothes  
With behinds that blow the minds of the niggas behind doors  
I still perform at sold out shows, and rock the crowds  
And can be heard on radios on every block loud  
You can't believe everything you see on T.V, especially the cats you see on BET  
That's why this DVD is attached to this CD, everything you see  
You gone see, when you see me (yeah)  
I'm not a fraud mayne (nope) I swear to GOD mayne (yeah)  
I grind hard mayne (yeah), to shine hard mayne (yeah)  
You see the broads I bang (you see'em), you see the cars I swang (you see'em)  
The stars on chain (you see'em), nigga I'm having thangs  
They think I'm slinging cane, when they see me switchin lanes  
24's glistening, rocks on top of wrists and rings, everyday  
Different piece in chains, that's why The Boss, my name  
This ain't a game, ya'll can't even ball like my dame, mayne

(Talking)

You gotta excuse me for being a little arrogant right now, unknowhatimsayin  
I'm a little heated at how these white folks try to treat a nigga  
They already know, we got three ways up out the hood  
Either you play sports, you rap, or you sell drugs, unknowhatimsayin  
A nigga tryin to do it the right way, with this motherf\*\*king mic and thangs  
And they wanna offer a nigga, a dollar off each motherf\*\*king CD  
And expect a nigga to eat, and take that  
While them hoe's try to chump a nigga, \$50,000, \$100,000 up front  
Nigga I'm sitting on that already

(2nd Verse)

Slim ain't waiting six months for a check in the mail  
I'ma make my staff check retail, and pick-up my checks myself  
I'm a boss, and proud of my position, check out how the young man hand glisten  
I'm Already Platinum listen  
Majors, I gotta be reading these papers wrong, cause what they say ya'll paying  
I been sitting on  
I bust my ass to spit hits, and you gone tell me I can't get at least half, of my cash (huh)  
Don't make me laugh  
You won't get my autograph on ya dotted lines (nope)  
I master underground grind, I ain't gotta sign to shine  
So you can find me in the Unsigned Hype, but don't look down on me homey  
I got my money right, the rap industry remind me of pimps and ho's  
And Slim ain't selling hisself, to bring nobody no dough (preach)

We all bosses, so please be cautious, when you approach us promoting losses  
Tryin throw us in crosses, come with the Master P love, when you approach Slim Thug  
I ain't tryin to be on 106 & Park and still sell drugs  
It's a damn shame how niggas in the game getting f\*\*ked  
You went platinum and all you got to show is a Cadillac truck  
So major labels get ya weight up, I ain't taking no pay cut  
Just to be seen on the screen when I'm a Underground King  
And I don't mean to be conceited , I just got shit on my chest  
But you can't expect the best, to just settle for less (huh)

(Talking)

Yeah, I feel much better now I got that shit up off my chest  
That was fyi..For all ya'll those that don't know Slim Thugger, uknowhatimsayin  
And don't understand why I ain't signed or you don't see me on BET  
That's what up, uknowhatimsayin, I'm getting this underground down here in Texas  
Mayne, I sell 100,000 to get my meal ticket if I got to, you feel me  
I refuse to let these motherf\*\*kers rape me (rape me)  
I'm getting money, how I doing it right now, baby, I'm good (I'm good)  
I know you see me in the streets, I know ya see me, I know ya see me  
Slim Thugger, Already Platinum
