

# Slipknot, 'Til We Die

My friends are all hurting, from moments and regrets  
And charity laced with a lie  
And still we keep hoping to fix all the defects  
And strengthen these seminal ties

We go on together for better or worse  
Our history is too real to hate  
Now and forever, we stay until morning  
And promise to fight for our fates

'Til we die  
'Til we die

The start of the journey is every bit worth it  
I cant let you down anymore  
The sky is still clearing, we're never afraid  
And the consequence opens the door

I never stopped trying, I've never stopped feeling  
Like family is much more than blood  
Don't go on without me  
The piece that I represent compliments each and everyone

'Til we die  
'Til we die  
We won't be forgotten, we'll never give in  
This war we've achieved has allowed us to win

'Til we die  
'Til we die

My last true confession will open your eyes  
I've never known trust like the 9  
Let it be spoken, let it be screamed  
They'll never, ever take us alive

'Til we die  
'Til we die  
We won't be forgotten, we'll never give in  
This war we've achieved has allowed us to win

Carry On  
Carry On

We'll never be broken, we won't be denied  
Our war is the pressure, we need to unite  
We'll never be broken, we won't be denied  
Our war is the pressure, we need to unite

'Til we die  
'Til we die  
We won't be forgotten, we'll never give in  
This war we've achieved has allowed us to win

Carry On  
Carry On  
We'll never be broken, we won't be denied  
Our war is the pressure, we need to unite

'Til we die  
'Til we die  
'Til we die  
'Til we die  
We won't be forgotten, we'll never give in

This war we've achieved has allowed us to win

'Til we die

'Til we die

We'll never be broken, we won't be denied

Our war is the pressure, we need to unite
