Slits, Adventures Close To Home

Passion that shouts and red with anger I lost myself Through alleys of mysteries I went up and down like a demented train

Don't take it personal I choose my own fate I follow love I follow hate.

Searching for something that makes makes hearts move I found myself. But my best possession walked into the shade and threatened to drift away.

Don't take it personal I choose my own fate I follow love I follow hate.

Full of myself
I left you behind
as if I could,
possessed by Quixote's dream
went to fight dragons
in the land of concrete.

Don't take it personal I choose my own fate I follow love I follow hate.

Rolling in pain discovered what hurts and tasted hell infatuated by madness I danced in flames and drunk in the depth of love.
