

# Sloppy Meateaters, I Sing Like A Girl

You'll never get far, you cant be a star  
I think your crazy and you're wasting your time  
you play too fast you act too dumb  
youre having too much fun  
and you sing like a girl

what can i say cuz i always just fall  
down on my face im sick of this place  
im waiting for anything  
lonely scared and desperate for a change

we got no tricks we dont suck dick  
our future looks hazy we are wasting our time  
we play outta tune i cant hold a note  
we must be crazy and i sing like a girl

i wanna be in a pop punk poser sell out band  
wanna be wannabe a rockstar pretty boy  
but im working at Toys R Us
