Singing Gloria

Living Gloria

And the light so shines that everyone will see

Glory to God!

I want to make what I've been feeling so.

I've been living with,

Specific boundary lines,

And given warning signs.

It comes down to me!

Singing Gloria

Living Gloria

And the light so shines that everyone will see

I'm bringing Gloria

Giving Gloria

To the Father may the greater glory be

And once again

I start the day

Part of the mystery, of overcoming sin

While feeling less than meek and gentle

Knowing what's new testamental

Then they'll see me

Singing Gloria

Giving Gloria

And the light so shines that everyone will see

I'm bringing Gloria

Giving Gloria

To the Father may the greater glory

Knowing this that my redeemer finds me free

The best that I can do is live what I believe

Use my gifts and all my opportunities

To let my words and deeds agree

Singing Gloria

Living Gloria

And the light so shines that everyone will see

I'm bringing Gloria

Giving Gloria

To the Father, I'll live,

To the Father, I'll bring,

Sing Gloria
