

# Smashing Pumpkins, 17

17 seconds of compassion  
17 seconds of peace  
17 seconds to remember love is the energy  
behind witch all is created  
17 seconds to remember all that is good  
17 seconds to forget all your hurt and pain  
17 seconds of faith  
17 seconds to trust you again  
17 seconds of radiance  
17 seconds to send a prayer up  
17 seconds is all that you need
