## Smith Michael W, Lux Venit

words by Amy Grant and Bev Darnell music by Michael W. Smith By sword by flame In death solemn ages passed And voices young Grow old and weary Holding fast Hope for the dawning Lux venit lux venit Lux venit sursum corda Lux venit lux venit arise Shine for your light has come Lux venit lux venit Sursum corda Lux venit lux venit arise Shine for your light has come In grace in might The babe lay in a stable stark Redemption's light Pierces through the shadows dark Alleluia Lux venit lux venit Lux venit sursum corda Lux venit lux venit arise Shine for your light has come Lux venit lux venit Lux venit sursum corda Lux venit lux venit arise Shine for your light has come Alleluia Alleluia Alleluia Alleluia Lux venit: "The light has come" Sursum corda: "Look upwards hearts"
