

# Smokie, Changing All The Time

So you caught a glimpse of someone you once knew  
And you seem to find it hard to face the truth  
Oh Oh, but that don't make it right  
To be wantin' me tonight  
When your thoughts on love keep changing all the time  
well we both knew there's be things we'd have to face  
But is it true that I can never take his place  
Oh but I can't read your mind  
For the things you hope to find  
When your thoughts on love keep changing all the time  
Now heaven knows I treid just everything I knew  
But it seems there ain't no getting though to yu  
Guess I've played out every line  
Still you can't make up your mind  
When your thoughts on love are changing all the time  
'Guess I've played out every line  
Still you can't make up your mind  
When your thoughts on love keep changing all the time
