

# Smolik, Fades Away (feat. Natalia Grosiak)

Turn back to my world  
Just for one day  
Too many things  
Talk, talk around  
I can take with me  
And I can walk by

I, I ready to fade away  
Right now  
The suitcase is in my hand  
The stars are ready behind my back  
Goodbye  
So easy to complicate

To be somewhere else  
?  
Wear in different shoes just for a moment  
Sometimes I feel  
I could live for a star  
Turn back to my world  
Just for one day

I, I ready to fade away  
Right now  
I'm gonna to turn the page  
World is another ? train  
Goodbye  
So easy to complicate
