

Smolik / Kev Fox, Help Yourself

Wish I could have
More time to try
More time
To wish my lifetime by
More time to laugh
More time to cry
More of my life to say goodbye..

Help Yourself
To help yourself
It gets harder as you get older

Now my der
It seems so clear
That you were right
Yeah I was near
So thanks for all
The things you've done
In spite of which
I'll still do wrong

Help Yourself
To help yourself
It gets harder as you get older
