

Sneaker Pimps, Spin Spin Sugar (Moby Remix)

See through me
See through me
Spin spin sugar

I'm everyone - I feel used,
I'm everyone - I need you,
I want perfection - I'm real need,
I've seen attention - See through me,

Call on me - Spin spin sugar
Crawl on me - Spin spin sugar
Stinks on me - Spin spin sugar
Twists for me - Spin spin sugar

I'm everyone - Hang your label on me,
I'm everyone - Paint it black and white and easy,
I'm everyone - Sticks in me,
I'm everyone - Sticks with me,
I've seen attention - See through me,
I want perfection - I'm real need,

Call on me - Spin spin sugar
Crawl on me - Spin spin sugar
Stinks on me - Spin spin sugar
Twists for me - Spin spin sugar

Call on me - Spin spin sugar
Crawl on me - Spin spin sugar
Stinks on me - Spin spin sugar
Twists for me - Spin spin sugar
