

# Snitch, Pet Cemetery

she was the only one i had  
she understood when i felt sad  
she had brown hair and loved the sun  
she had a dad who thought i'm wrong

but today he hit my dog  
so my daddy took a frog  
and threw it in his face

today when i came home from school  
my mom was in the bed but not alone  
there was this stupid ugly guy  
who hit my dog 1,2,3 times

but today he killed my cat  
so i took the cadillac  
and roll over his face
