

# Snog, Is Ther No-One That Can Save Us From T

I see no signs of love, I see no easy cure.  
No cause for rejoice, no free or easy voice.  
Is there no-one that can save us from today?  
Is there no-one that can save us from today?  
Music, keeps you under control.  
Fassion, dictates your role.  
Religion, keeps you down below.

This, this I know.  
Music, keeps you under control. Music..  
Is there no-one that can save us from today?  
Is there no-one that can save us from today?  
Is ther no-one that can make this go away?  
Is there no-one that can save us from today?  
Is there no-one?
