

# Snoop Lion, Torn Apart (ft. Rita Ora)

[Rita Ora:]

I heard him speak but then I saw his face  
I knew we was the one because I dreamt this day  
I was such a beginner on this thing called love  
And now he's going away and now I'm torn apart, so torn apart

You're one of them, you see me swear  
You pullin' triggers let you slide another day  
Say goodbye to the one that got away

[Snoop Lion:]

Her lips for the very first thing that I saw  
She flew like an angel and that made want her more  
My reputation says I'm there from  
And now she's going away and now I'm so torn apart, so torn apart

You're one of them, you see me swear  
You pullin' triggers let you slide another day  
Say goodbye to the one that got away

[Snoop Lion:]

Never let you get away, shouldn't've let you get away  
Get away, got away, gotta find another way  
Never let her get away  
Gotta find a way to stay  
Never let her get away  
Never let her get away

[Rita Ora:]

Never let her go, you never let her go  
Feels like

[Snoop Lion:]

You see me? You hear me?  
Hey!

You're one of them, you see me swear  
You pullin' triggers let you slide another day  
Say goodbye to the one that got away

Biddy bang bang bang  
I say goodbye to
