

# Snow Patrol, Called Out In The Dark

It's like we just can't help ourselves  
'Cause we don't know how to back down  
We were called out to the streets  
We were called in to the towns

And how the heavens, they opened up  
Like arms of dazzling gold  
With our rain washed histories  
Well they do not need to be told

Show me now, show me the arms aloft  
Every eye trained on a different star  
This magic  
This drunken semaphore  
And I

We are listening  
And we're not blind  
This is your life  
This is your time

We are listening  
And we're not blind  
This is your life  
This is your time

I was called out in the dark  
By a choir of beautiful cheats  
And as the kids took back the parks  
You and I were left with the streets

Show me now, show me the arms aloft  
Every eye trained on a different star  
This magic  
This drunken semaphore  
And I

We are listening  
And we're not blind  
This is your life  
This is your time
