

Snow Patrol, Limited Edition

if only we hadn't gone so far
things would be different here
just now
i didn't know what i had done
would it be different if you had
of cum

i can take it if you hold me

i met her last night again
after hours
the only words i could muster
was "erm, hi"
we talked for an hour or two
then you left
i dreamt that night i lay upon
your breast

i can take it if you hold me
