

Soccx, From Dusk Till Down

Intro

C'mon Y'all, Grab your girls, and let's go party

Last night I saw you dancing alone

Turned back I found you already gone

Tonight I'll take my chances and go

I hope I'll find you dancing alone (Are you dancing alone?)

I don't know who you might be but I want you to know,

Tonight is the night that I'm gonna let everything go
