

# Sodom, Indoctrination

Society divided, economy collapsed  
Violence and injustice  
Maltreated and suppressed  
Mind-controlled and brainwashed  
Ethical declined, unpredictability  
Breaking through the lines  
No freedom of speech, human deceit  
Mercenary, blasphemy  
Social neglect, no regret  
Brutalization, intimidation

Wanna get out of here  
Bring me out  
To the road of no return  
Wanna get out of here  
Bursting out  
Kill the enemy

Indoctrination  
Indoctrination

Chaotic days, physical decayed  
Pandemonium, sound of pain  
Mental agony, disgusting stench  
Broken bones, unruly hate  
Provocation, dilapidation  
Perpetual adoration  
Malicious entity  
Deceitful democracy

Wanna get out of here  
Bring me out  
To the road of no return  
Wanna get out of here  
Bursting out  
Kill the enemy
