Don't know what's going on, pero me siento peligrosa  
Feel it in my veins, ay ay  
Me vale tu opinión porque mi boca hoy va de rosa  
Drama is dead to me, bye bye

[Refrain: Sofia Reyes, Anitta & Rita Ora]

Why, oh, why would I waste my time?  
Why wasting my time? (Why, why?)  
Perdiste mi atención porque no ando de curiosa  
I only wanna feel good vibes

Ayy, no me duele decirte que (Yeah)  
Ayy, I'm so done with you

R-R-R.I.P. to the bullshit  
Brush it off like cool whip  
Raise them up to the ceiling  
'Cause I know that you feel, that you feel me
