

# Sofie, Lemon

they've clipped my wings again  
tore them apart and left me  
no use to fly away  
to my yesterday of freedom  
my eyes died back that day  
seeing the hurt may have done  
beat me instead of them  
pain's my only zen of fun  
i'll go where secrets are sold  
where roses unfold  
i'll sleep as time goes by

so hurting here is where i belong  
dreaming a song  
blood on my hands to stay strong  
the flowers in the graveyard are all gone  
i don't belong  
there is no right to heal the  
wrong soup's on hot feelin like a do or die  
i can't throw up i don't think i even wanna try

you still can't make me cry  
you've pinned this butterfly down  
my fire's burning out  
kill my flame without a frown  
and starving hurts the soul  
when you're hungry for some love  
so if i close my eyes  
i can really fly above  
i'll go where secrets are sold  
where roses unfold  
i'll sleep as time goes by
