

# SoKo, Destruction Of The Disgusting Ugly Hate

Scars on my heart  
Can't you see  
What have you done to me  
Scars on my arms, can't you see  
Where I am sinking

Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate

I got a tattoo on my heart  
Your name is written in black  
You have tattoos everywhere  
But my name is not there

Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate

I got tears on my cheeks  
Rolling faster than a rocket-ship  
You stare at me  
You do nothing  
Now burning-man please wake up and burn me

Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate  
Destruction of the disgusting ugly hate

And now you're leaving  
But can't you see  
What have you done to me?  
You're leaving me but can't you see  
Where I am sinking
