

SoKo, Shitty Day

I hate myself today.
I don't know what's happening to me.
I hate my face today.
I think I look so shitty.

I have some sweat everywhere.
I'm not even shaved.
My hair all greasy.
I look disgusting.

My eyes are glued.
My lips are chaffed.
My legs are prickling.
And plus I'm stinky today.

How can I date someone with a face like that?
I know you're gonna dump me again,
And I am gonna cry.

Cuz you want a perfect girl,
And I'm not what you expected.
You want a perfect girl,
And I look shitty today.

Maybe I should put some makeup,
And find some crazy outfits.
But I am very tired today
And I don't care if I'm not pretty.

Should be like these girls,
Skinny and great all the time.
I'm still wearing my slippers
And eat all the candies at home.

I should sleep more,
And stop going out everyday.
I should focus more,
And stop complaining today.

Tell me, How can I date someone with a face like that?
I know you're gonna dump me again,
And I am gonna cry.

Cuz you want a perfect girl,
And I'm not so perfect.
You want a perfect girl,
And I look shitty today.

Tell me, how can I date someone with a face like that?
I know you're gonna dump me,
And I am gonna cry.
