

# Solange, Binz

I just wanna wake up to the Sun,  
and Saint Laurent  
Hundred Thousand Dollars on the Fronts & the Blunts  
I just wanna wake up on Goodbye,  
Only I!  
Or in the Rolls that's rented,  
windows tinted,  
We call that Big Spending,  
Big Spending

I;ma get back on my feet  
give me a minute  
I;m afeel this in my things  
like evenin' it  
young summer  
young summer  
give me a minute  
sun dwon  
wind chimes  
break it down  
ne line, a ine  
can't no see me  
no flex, be kind  
dollars never show up on CP time
