

# Solex, Randy Costanza

He's got a generous  
Smattering of charm yes  
Maybe some day  
He's able to

Spot me a mile  
Away

He said with a grin to show  
He was kidding so and so  
What to do do do do  
What to do do do do  
I'm confused tu tu tu  
Nothing new tu tu tu  
Tu tu tu tu tu tu tu

Made great faces and frowns  
Standing there naked with  
His cute undies  
Every weekend  
Undies in both his  
Hands

He said with a grin to show  
He was kidding so and so  
What to do do do do  
What to do do do do  
I'm confused tu tu tu  
Nothing new tu tu tu  
Tu tu tu tu tu tu tu

Well I stood with my back  
To that old kitchen rack  
He said: "I'm bad"  
Well I wish I  
Had a response to  
That

He said with a grin to show  
He was kidding so and so  
What to do do do do  
What to do do do do  
I'm confused tu tu tu  
Nothing new tu tu tu  
Tu tu tu tu tu tu tu
