

# Solid Base, Set Me Free

set mee free x2  
you love has got my soul

queen over the ocean  
i couldnt make it all my own  
i will be open  
i carried all of this inside

never like you forgiven to all i can see  
when i look in the mirror set me free  
when i give you my ocean  
i gave you my life

chorus:  
set me free  
you are the only  
set me free  
i belive in youre love  
set me free  
i never be lonely  
yours love has got my soul

set me free  
you are the only i know  
that you are the one  
set me free  
i never be lonely set me free

be there i will know you  
cause you are the only one for me  
now playing with feaver  
i couldnt make it all my own

you will be nothing but emotion  
but now i belive  
calling love in the potion
