

Son Of A Plumber, Are You An Old Hippie, Sir?

Ba da ba ba ba (2x)

Are you an old hippie, sir?
Are you an old hippie, sir?
I sense you must have been around
Your painted wings have left the ground
A few times

Are you an old hippie, sir?
Are you an old hippie, sir?
You hit that guitar pretty well
And all those words really gel
I can tell
Can I lay down some harmony?
Can I lay down some harmony?
Can I lay down some harmony?

Ba da ba ba ba
Ba da ba ba ba

Are you an old hippie, sir?
Are you an old hippie, sir?
Ysee that woman by the counter
She used to be my babysitter
Oh oh
Shes an oh oh old hippie too
Shes an oh oh old hippie too
Shes an oh oh old hippie too
Yea, its true
