Son Of A Plumber, Are You An Old Hippie, Sir?

Ba da ba ba ba (2x)

Are you an old hippie, sir? Are you an old hippie, sir? I sense you must have been around Your painted wings have left the ground A few times

Are you an old hippie, sir? Are you an old hippie, sir? You hit that guitar pretty well And all those words really gel I can tell Can I lay down some harmony? Can I lay down some harmony? Can I lay down some harmony?

Ba da ba ba ba Ba da ba ba ba

Are you an old hippie, sir? Are you an old hippie, sir? Ysee that woman by the counter She used to be my babysitter Oh oh Shes an oh oh old hippie too Shes an oh oh old hippie too Shes an oh oh old hippie too Yea, its true
