

# Sonic Youth, Hallowe'en

There's something shifting in the distance  
don't know what it is  
day's as dead as nights [?]  
except for the feeling that's  
crawling up inside of me as you  
sing your song as you  
swing along and you're  
it's your, your song

it's the devil in me  
makes me stare at you as you  
twist up along you  
sing your song and you  
slipping up to me and you're  
so close i just a  
wanna touch you and i  
sing your song and you  
dont know what's going on but you  
wanna me to come along as you  
sing your song and you're  
fucking with me as you  
slither up to me  
your lips there  
slipping twisting at my  
insides and singing on  
you're just a  
swinging man, it's not your  
swinging song and now i  
don't know what you want but  
you're looking at me and you're  
falling to the ground and you're  
twisting around fucking with my  
my mind and i don't know what  
's going on

swinging in your song  
twisting me on as you  
slither up to me and it's gotta be  
and i don't know what you wanna do  
and you're looking at me with your big dark eyes  
and you're rubbing your body

twisting
