

Sonic Youth, Inhuman

Oi

Aha [10x]

My body is a pasttime
My mind is a simple joy
I learned my lesson
The hardest way
But you don't know me
But you don't know me
A complete inhuman
Complete inhuman
Complete inhuman

My body is a past time
My mind is a simplejoy
I learned my lesson
The hardest way
But you don't know me
But you don't know me

Complete inhuman

Inhu-inhuman
Inhu-inhuman
