

# Sonique, Sky

Look at me  
It really was not easy  
But I can breathe  
And I'm so grateful 'cause I can see  
I am free to do exactly what I please  
So come with me to a place where we can be  
Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna hold you  
I wanna love you tonight  
Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna satisfy  
I wanna make you cry  
Follow me to a place where we can be  
Absolutely free  
To be exactly what you want to be  
Completely, lose control that's when I need you more  
Give me the key, to set your heart and spirit free  
Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna hold you  
I wanna love you tonight  
Ooh I wanna touch the sky  
I gonna fly so high  
Ooh I wanna satisfy  
I wanna make you cry  
I know what I need  
And I know I need it right now  
Gonna take you on a journey  
To a far away place now  
Gonna take you to a far away place now  
Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna hold you  
I wanna love you tonight  
Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna satisfy  
I wanna make you cry  
Ooh like a bird in the sky  
Just you and I  
I'm gonna fly like a bird in the sky  
Just you and I  
We're gonna fly like a bird in the sky  
Just you and I  
We're gonna fly like a bird in the sky  
Just you and I  
I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire  
I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire  
I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire
