

Soul Asylum, Runaway train

Call you up in the middle of the night
Like a firefly without a light
You were there like a blowtorch burning
I was a key that could use a little running
So tired that I couldn't even sleep
So many secrets I couldn't keep
Promised myself I wouldn't weep
One more promise I couldn't keep
It seems no one can help me now
I'm in too deep there's no way out
This time I have really led myself astray
Runaway train never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there
Can you help me remember how to smile?
Make it somehow all seems worth while
How to earth did I get so jaded
Life's mystery seems so dated
I can go where no one else can go
I know what no one else know
Here I am just drownin' in the rain
With a ticket for a runaway train
Everything is cut and dry
Day and night earth and sky
Somehow I just don't believe it
Bought a ticket for a runaway train
Like a madman laughin' at the rain
A little of touch little insane it's just easier
than dealing with the pain
Runaway train tearin' up the track
Runaway train burnin' in the veins
Runaway but it always seems the same
