Soundgarden, Loud Love

There's no time to keep it low I've been deaf now I want some noise You stay down but I won't be quiet I'll hammer on until you fight

Loud Love Loud Love Loud Love Loud Love

If you've got som time to kill Slow resisitance wins the war Well I know But that's no way to go You can't resist the louder pull

Loud Love

Well that's right I want something to explode I've been deaf Now I want noise
